Re: Citadel Investment Group  
Unauthorized registration and use of <citadelcapitalinc.com>  
Our File: 074449.013600

Dear Gentlemen:

We act on behalf of Citadel Investment Group in their intellectual property matters. As detailed below, Citadel demands prompt corrective action to end unauthorized use and misuse of the CITADEL mark by or through you and any affiliates or persons acting in concert with you (collectively "you").

As you no doubt know, Citadel is one of the world's largest hedge fund management firms based in Chicago, Illinois.

Citadel is the owner of the following marks in the United States:

Registration Number	Mark
3213943	CITADEL
3447810	CITADEL SOLUTIONS
2812459	CITADEL

The registrations mentioned above show ownership of exclusive right to use these marks in U.S. commerce. We attach copies of the registration certificates for these marks.

It has recently come to Citadels' attention that you have registered the domain name <citadelcapitalinc.com> (the "Infringing Domain") and you are using it to misdirect consumers to your website which offers links to third party websites which offer competing financial services. Attached hereto collectively as **Exhibit A** are the WHOIS database details for the

Infringing Domain as well as the "front page" to which the domain name resolves, both proving your unauthorized registration and use.

The above mentioned unauthorized activity by you violates Citadels' exclusive rights in its famous marks under the federal Lanham Act and constitutes cybersquatting and cyberpiracy under the U.S. Federal Anti-Cybersquatting Consumer Protection Act and under the Uniform Dispute Resolution Policy issued by the Internet Corporation for Assigned Names and Numbers.

Accordingly, on Citadels' behalf, we now formally demand that you promptly do the following to resolve this matter:

1. Cease and desist from all use of the CITADEL marks and any mark confusingly similar to these marks;
2. Promptly transfer the Infringing Domain to Citadel.

If you wish to take advantage of Citadels' offer of amicable resolution, you must take the following steps:

- a. On or before October 20, 2008, you must ensure that all registrar locks have been lifted on this domain and you must provide us with the Authorization Code for this domain name;
- b. On or about October 21, 2008, you will receive notice by email of our electronic transfer request for this domain name asking for your approval of the transfer. Within two days of your receipt of the transfer request, you must approve our electronic transfer request and you must approve any transfer request confirmation sent by your registrar; and
- c. On or before October 22, 2008, you must confirm by return email or other writing that you have ceased all use of the CITADEL mark and any marks confusingly similar to these marks.

Citadel views this as an extremely serious matter that requires prompt action by you. Our clients have a range of effective legal actions and other remedies available if you do not promptly comply with its demands. These various options would certainly be less agreeable than voluntarily complying with our clients demand set forth above.

This letter is written without prejudice to any claim for damages or other relief that Citadel may have in the event that litigation against you might prove necessary.
